SELECT CHOICE LEARNING MODEL

Four distinct learning models with one unified mission: Provide a caring community where all students dare to dream, develop their dreams.

☐

In Person Learning Model:

Small class sizes, engaging class projects, state of the art CTE classes, field trips, and many in-person student support services. Option for embedded credit recovery during the school day.

☐

Virtual Learning Model:

Full Time, weekly progress checks with Virtual Mentor Teacher, access to Advanced-placement Courses, and about 2 classes a month (except for extended break months). Access to in-person support services.

☐

Graduation Alliance Model:

Virtual program for students who want a flexible learning model, access to in-person support, and support. Support structures designed to help learners make career goals, a focus on developing accountability, and resilience training

☐

Renton Technical College – GED, YouthSource, or HS Diploma Completion:

Contextual learning related to careers, open enrollment, self-paced and student- centered, small group instruction- focused.
